Transportation | Break Bulk Cargo Movement | Consultancy & License Registration

We are one of the top rated Shipping/Steamer agents, stevedores and CHA who have made our presence felt at the Cochin Port. We have been catering to all major ports in India since the last decade. Our services in the realms of shipping, inland transportation, warehousing and ancillary fields are reputed. Our team, endowed with extensive experience in the line, is ready to offer you all kinds of service in sea, land or air cargo handling

GROUP STRUCTURE

PH Value Shipping Pvt. Ltd has bundled similar activities in two business segments solutions and Air + Ocean. This corporate structure reflects the aim of continuously improving its services, creating maximum transparency and consistently using synergies. PH Value corporate structure strengthens the far

PH Value corporate structure strengthens the far-reaching operational responsibilities of the two business segments for their respective markets and customers. It creates the necessary flexibility and possibility to respond rapidly to changing customer demands

WHY US

We offer a convenient menu of standard freight management services, including Air, Sea, Road and Sea/Air to balance urgency and cost - effectiveness for your day-to-day shipments. Some of the factors that have helped us to evolve as the preferred logistics solution provider are as follows:

1. Tailor-made logistics/ outsourcing packages & computerized systems for handling the specific needs of our customers
2. Well knit global network with presence across 50 countries
3. Capability to handle export and import of full loads or consolidations, (including temperature - controlled containers for commodities like pharmaceuticals & perishable items)
4. European & global network of door to door services with main overseas partners

5. Nationwide coverage throughout India with purpose built, customs controlled freight terminals
6. Flexible multi - modal capability combining FCL/LCL deep sea services with Air Cargo and overland network
7. Convenient routing of Far East and North American transit cargo throughout India
8. Stock control and warehousing/distribution programs as well as track and trace systems for meeting the import as well as export related need

As a reliable service provider in sea freight solutions, PH Value Shipping brings your goods safely to their worldwide destinations. Our service also includes the upstream and downstream transportor all necessary formalities, from customs clearance to transport insurance. Thanks to our modernIT tools, you are always informed as to where your shipment is at the moment

VALUE ADDED SERVICES

Checking, labelling and packing goods. There are a great many additional tasks to perform along the logistics chain besides transportation and warehousing .If you are you looking for a service provider who will also take care of such tasks? we can perform all additional services (value added services) for you professionally and reliably\

We examine our customer's processes and define quality standards together with them in order to satisfy their wishes and meet their requirements.
